Education

The National institute of Engineering
Information Science, BE CGPA:
8.1

Mysuru-India
December 2022 - May 2026

Narayana Co-Kaveri Bhavan

Bangalore-India
2020 - 2022

PCMB 12th Grade

Percentage: 79%

Cauvery Public School ICSE

Mandya-571403
2015 - 2020

Secondary Education

Percentage: 92%

Skills

Programming Languages:	C, JAVA, Python, HTML, CSS
Libraries/Frameworks:	Numpy, Pandas, JavaScript
Tools / Platforms:	VS code, Google Colab, Git
Databases:	SQL, MongoDB, PostgreSQL

Projects / Open-Source

Network Traffic Data Analysis

Python , MySQL, Dash

The network traffic analysis project demonstrated the integration of Python ,MySQL and Dash to manage, analyze, visualize large datasets e ectively providing a robust solution for real -time network monitoring.

College Voting System

Java,Swing,AWT,JDBC,PostgreSQL

Developed a College Voting System using Java Swing, AWT, and HTML to streamline the election process for class representatives and the college secretary. Implemented secure user authentication, vote casting, and vote storage functionalities, integrating SQL databases via JDBC for e cient data management.

Certifications

Multithreaded Application in Java - Algorithms

Coursera

Data Collection ,Starting to Code -

Coursera

Hobbies

Travelling,Singing,Reading.

Soft Skills

Problem Solving, Time Management, Creativity, Leadership, Public Speaking,
Marketing
